EDUCATION

University of Minnesota, Twin Cities, Minneapolis, MN

May 2024

B.A. in Computer Science, Minor in Leadership

TECHNOLOGICAL EXPERIENCE

Quality Assurance Intern, Image Trend

May, 2023 – August, 2023

ImageTrend, Lakeville, MN

- Conducted manual and automated testing of ImageTrend's "Aware" and "Slate" applications within an agile environment
- Utilized Selenium (C#) for test automation, improving testing efficiency and coverage
- Demonstrated strong communication skills in reporting defects and collaborating with the development team
- Recognized for identifying and reporting the 2nd highest number of bugs during the manual testing phase of my internship

Technology Coordinator

March, 2022 – May, 2024

UMN Leadership Minor, Minneapolis, MN

- Assisted in developing the upper level course content and material and updating Canvas sites
- Supervised hardware and software installations, ensured network security, provided technical support, and researched new technology solutions
- Created and organized a new technology inventory system, eliminating potential theft or loss of \$50,000 in assets

Makeathon Winner (3rd Place)

February 2023

UMN College of Science and Engineering, Minneapolis, MN

- Designed an innovative healthcare product to translate medical prescription information into layman's terms in multiple languages
- Enhanced accessibility and user experience for individuals with limited medical knowledge
- Utilized JavaScript, Python, and CSS for the product's development

LEADERSHIP EXPERIENCE

Director of Risk Management

Dec, 2022 – Oct, 2023

UMN Delta Tau Delta, Minneapolis, MN

- Oversaw social events hosting 250+ guests and managed a team of sober monitors
- Created and implemented risk management strategies to ensure event safety
- Provided emergency assistance and enforced safety measures for attendees

Technical Coordinator

May, 2022 – Feb, 2024

UMN World Cafe, Minneapolis, MN

- Practiced the Art of Participatory Leadership through trainings and leading events
- Designed, executed, and promoted public events to maximize attendance and impact
- Created promotional materials, including logos, posters, and apparel, using Canva

First Year Leadership Mentor

Jan, 2023 – May, 2023

UMN First Year Leadership Institute, Minneapolis, MN

- Provided guidance and support to first-year students, fostering personal and professional growth
- Facilitated leadership development activities and offered mentorship

Chief External Affairs Officer

May, 2020 – Feb, 2021

UMD Student Association, Duluth, MN

- Built relationships with local and state government officials to advocate for student interests
- Organized community events to strengthen campus-community connections
- Promoted voter registration and participation among the student population
- Orchestrated a university-wide advocacy event at the state capitol, securing increased funding
